Jane's story . . .

At the age of 12, Jane was diagnosed with Type 1 diabetes and has been living with Type 1 for almost 4 years. For the last two summers, Jane has attended the Canadian Diabetes Association's Camp Kakhamela. She enjoys the friendship, the camaraderie and the spirit of the camp program and is looking forward to being a part of the program for many years to come. She recently participated in the Camp Leadership Development Program and hopes to be a Youth Councillor for Camp Kakhamela so that she can work with younger children who have diabetes. Later this year, Jane is planning to participate in the 10k run in Kelowna in support of Team Diabetes Canada.

Jane is 15 years old and is going into grade 11 at Rockridge High School in West Vancouver. Among her many interests, Jane has a passion for theatre and the performing arts and is captain of the High School Improv Team.
